LIBERATOR DISTILLERY

The Cahernane House has developed a close relationship with the Liberator Distillery in Killarney.

Both the Herberts and O'Connells were among the most well known families in Kerry throughout the 17th & 18th centuries.

The Liberator Irish Whiskey celebrates the legacy of Daniel O'Connell, known as 'The Liberator,' who was often proclaimed as Ireland's greatest son.

LIBERATOR SMALL BATCH

A Premium Blended Whiskey, which is light and elegant, whilst still having lots of character. Matured in ex Bourbon Casks, then transferred into Tawny and Ruby Port Casks for its final 9-12 months, which has imparted rich fruity notes.

Measure: €8.00

TASTING NOTES: Rich dried fruit on the nose. Blackcurrant, cloves, orange zest and pear drops allow for a medium length finish with vanilla, almonds, and some spice.

LIBERATOR TAWNY PORT FINISH

This is a rich and complex Malt Whiskey finished in fresh ex Tawny Port Casks, contributing intensity, richness, and complexity.

Measure: €9.50

TASTING NOTES: Intense fruity aromas that consist of dried cherries, figs, pomegranate, and freshly peeled citrus zests. The crispy Malt in the background acts as a stable structure to achieve complexity.

LIBERATOR PORT 'N' PEAT

A Port finished Blended Whiskey with a very subtle Peated Malt component which enhances the Port, without overpowering it.

Measure: €14.00

TASTING NOTES: Aromas that consist of butterscotch, banana, and sponge cake, allow the peat to sit gently in the background, creates a full-bodied whiskey with a hint of dark chocolate.

IRISH GIN

The Cahernane House has developed a love for Irish craft gins. A particular favorite is Muckross Wild Irish Gin, which is refreshingly rounded, elegant on the nose but with an unmistakable wild side. It is crisp and fresh with a very natural taste.

Another favourite is Dingle Original Gin, which is the product of a considerable amount of research, both technical and historical. It's unique character and flavour comes from its original choice of botanicals.
